I hereby give my consent for Wedington Family Dental to use and disclose protected health information about me to carry out treatment, payment and/or healthcare operations. I understand that I have the right to review the Notice of Privacy Practices prior to signing this consent.

With this consent, Wedington Family Dental may call my home or other alternative phone number and leave a message on voicemail or in person in reference to any items that assist the office in carrying out healthcare operations, such as: confirming appointments, insurance clarification or calls pertaining to my clinical care. They may also mail to my home any items regarding the prior information, such as patient statements and appointment reminders.

INSURANCE

Due to the number of insurance carriers and their changing policies, we are unable to determine your exact insurance coverage. We can only provide you with general plan information at the time of your visit. For your protection, please don't assume that you have coverage without checking with your insurance carrier prior to treatment.

We require your co-payment and deductible (if applicable) on the day of your treatment prior to treatment. Your copayments are only an estimate. If there is a balance after insurance pays, a statement will be sent to you. Please allow 2-6 weeks for insurance payment on your claims. You are ultimately responsible for your bill regardless of insurance.

Please do not be hesitant to ask us any questions about our office policies. We want you to be comfortable in dealing with these matters and we urge you to consult us if you have any questions regarding our services and/or fees. As a service for our patients, we will submit insurance claims at no charge. We will do all we can to assist you in maximizing your allowable benefits.

If we take assignment on your insurance, we feel that 45 days is a reasonable length of time for us to wait for payment from your insurance company. Should payment not be received within that time, payment of services rendered will be the responsibility of the patient.

NO INSURANCE

Patients without insurance will be required to pay in full on the day of treatment. We accept all major credit cards (Mastercard, Visa, Discover) and we also accept Care Credit.

OVERDUE ACCOUNTS

Accounts that are over 60 days past due could be placed with an outside collection agency for recovery. In the event that your account is turned over to an outside collection agency, a 30% collection fee will be added to your balance. Should it become necessary to collect an overdue account, the patient, or the patients' responsible party understands that Wedington Family Dental has the right to disclose all relevant account information necessary to collect payment(s) for services rendered.

There is a returned check fee of $25 for any returned checks.

NO-SHOW/CANCELLATION POLICY

We value your time with us, and expect the same in return. If you cannot keep your appointment, please give us a 24 Hour notice so that we can give this time to someone else. We charge a $25.00 fee for no show or cancellation of an appointment if we don't receive a 24 hour notice.

I have read and understand the above and agree to the terms and conditions.
